ABOUT COST RENTAL

WHAT IS COST RENTAL?

Cost Rental is a not-for-profit form of home rental where the rent you pay covers the cost of the construction, management, and maintenance of your new home. With rents set at a minimum of 25% below the average local market rate, Cost Rental offers a long-term, secure tenancy that is more affordable.

Tuath is Ireland's leading Cost Rental housing provider, with hundreds of new homes set for delivery in communities across Ireland.

WHY CHOOSE COST RENTAL?

- **Long-term, secure tenure:** After a six-month probationary period in your new home, you will have a tenancy of unlimited duration*.
- **Not-for-profit:** Rents are set at a minimum of 25% below the local market average. Rates are set to cover the cost of construction and maintenance in your new home, not to generate profit, resulting in rent that is more affordable.
- **Quality homes in sustainable communities:** Tuath's Cost Rental homes are modern, energy-efficient and comfortable, and are located in vibrant, sustainable communities.
- **Experienced management:** Tuath is a professional housing organisation and experienced Cost Rental provider, offering residents excellent service and peace of mind.
